Dear Parent / Guardian

Start of School Matters (Term 2)

As we begin Term 2 on 24 March, I would like to warmly welcome all our students and families back to school. I hope the recent break has been restful and rejuvenating, and I look forward to another meaningful and exciting term of learning together.

As the holy month of Ramadan draws to a close, we also like to extend our heartfelt wishes to our Muslim families celebrating Hari Raya Aidilfitri. May this festive occasion bring you joy, peace, and cherished moments with your loved ones.

1. ATTENDANCE

Regular school attendance is essential in supporting your child's learning and progress towards the goals outlined in their Individual Education Plan (IEP). We seek your partnership in ensuring that your child attends school during all school term days, arrives punctually, dresses appropriately, and participates actively in lessons and all school activities. Your support plays an important role in your child's overall development.

If your child is unwell and unable to attend school, please provide a Medical Certificate or a parent's/guardian's letter upon their return. We also kindly request that vacations are planned outside of school term time, as extended absences may disrupt routines and affect learning continuity.

	AM Session (M3, M4, M5 & M6)	PM Session (M1* & M2)
Reporting time:	Between 7:20 am to 7:30 am	Between 12:35 pm to 12:45 pm
Lesson starts at:	7:30 am	12:45 pm
Dismissal time:	12:15 pm	5:30 pm

* Beginning in Term 3, 2026

2. METTA CHARITY CARNIVAL

We would like to express our sincere appreciation for your strong support of the donation cards for the Metta Charity Carnival.

To parents who joined us at the event, thank you for taking the time to be part of this meaningful occasion. We hope you enjoyed the Community Walk and had a fun and memorable day with your family at the carnival.

3. TEMPERATURE TAKING EXERCISE

As part of our continued vigilance in maintaining a safe and healthy school environment, the school will conduct a Temperature Taking Exercise in Week 2, on Wednesday 1 April.

Students' temperatures will be taken at the start of the school day. Students with a temperature of 38°C or above will be sent home for rest and recovery.

Parents who drop off their children at the side gate or by car are kindly requested to wait until their child's temperature has been taken before leaving. We appreciate your cooperation in helping us safeguard the well-being of our school community.
